

This access document does not contain personal opinions as to our suitability for those with access needs, but aims to accurately describe the facilities that we offer our guests.

ACCESS DOCUMENT FOR THE COACH-HOUSE

Introduction

Our property is a luxury **FIRST FLOOR conversion of a former Victorian coach house located in the small village of Stoke Prior. The property is adjacent to The Old Rectory, the owners' home. Stoke Prior is situated approximately 3 miles from the town of Leominster.**

The property sleeps a maximum of 4 people and has two bedrooms.

There is a strictly NO SMOKING policy in the Coach-House, its grounds and the grounds of The Old Rectory. We strictly prohibit the lighting of candles, tea lights or the use of naked flames in the The Coach House and do not permit the lighting or use of bbq in the grounds of The Coach House or those of The Old Rectory.

NO PETS.

We have created a floor plan of the property (not to scale) which can be opened from the WELCOME page of our web site – www.coach-house.co.uk

We look forward to welcoming you. If you have any queries, or require further information, please telephone 44 (0)1568 760241 or email gill@coach-house.co.uk

Pre-Arrival

- Bookings/enquiries can be made via e-mail gill@coach-house.co.uk or telephone 44 (0)1568 760241**
- The nearest station is Leominster, 2.5 miles away.**
- There are accessible taxis at the station.**

Arrival at The Coach-House

From the road, entry into the grounds of The Old Rectory (the Owners' home) and the adjacent Coach-House is through electronically operated large metal gates. The private drive to the properties rises gently over a distance of some 100 metres arriving at the parking area. The parking area for The Coach-House can accommodate up to 4 cars.

This parking area has a tarmac and stone set finish and is adjacent, being within 10 metres, of the private gated courtyard to The Coach-House.

You will be met by the Owner on your arrival who will accompany you on a guided tour of the property. The key(s) will be made available to you at this time.

Entry into the small private courtyard is through a wooden pedestrian gate with a 1200mm wide opening – a view of this area can be seen on the Welcome Page of our website.

Once inside the gate, the small courtyard is surfaced in large grade gravel. The bespoke iron staircase is sited a further 2 metres away. There is a metal handrail to each side of the staircase. The stairway width is 1100mm. There are 12 steps each rising 200mm. The stairway leads onto a tiled balcony with an 1100mm high safety railing surround.

The south-west facing balcony offers an approximate floor area of 4 x 4 metres.. There is a metal outdoor table, 4 chairs, and parasol. The balcony is home to a variety of potted herbs and flowering plants. Views across open countryside.

The entrance door into the property is approximately 3 metres from the top of the stairs. The doorway has an opening width of 800mm and the door opens outward. There is one threshold step of 130mm rise. This glass door is sited centrally between two full height fixed glass panels. The overall width of this French door unit is 1760mm.

The Accommodation

Once inside the building, the main living/dining/kitchen areas are integrated to provide a spacious and contemporarily furnished open-plan living space with triple aspect windows.

With the exception of the bathrooms floors, which are tiled, the flooring throughout the accommodation is Aqua-lock laminate in a pale travertine marble finish.

There is ONE STEP within the building.

All doorways within the building are 740mm wide

All below worktop sockets are positioned at 500mm height

All main light switches are positioned at 1150mm height

All windows are argon-filled double glazed units.

All lighting within the building is from low-energy halogen spot lights either as ceiling or wall installations. There are a wide variety of lighting options.

Low light night lights.

Emergency lighting.

Heat and smoke detectors.

Exterior sensor lighting.

Original artwork throughout the building.
